# Happy 4 months until 2022 is OVER!

Just wanted to give a quick reminder that the year is almost coming to an end, but the term is not. Continue to serve your communities through volunteering and participating in Division wide events! If you're new to Key Club and don't know where to begin.. You've come to the right place! Newsletters are an amazing resource to not only stay in the loop, but also learn what Key Club is all about.

Hopefully you bees have been active on Instagram because our very own **DTT and DVMT** have come out with **Instagram filters**! They're super cute and make your photos and videos **100 times better**. (Promise!)

That's all from me for this month bees! Before I leave, I would like to remind everyone to keep up with **healthy habits**. BEE sure to not stay up after your *breadtime*, or else you'll feel like you're *crumbling* and not any *butter* the next morning. *Bready* or not, here *crumbs* your **bakery & cafe** themed September issue!

With many **buzzes & bumbles**,

## WHAT'S BUZZIN' BEES!

While we might still be a month away from fall, **Fall Rally** season has already begun in my mind... so here comes the time for some spirit, merchandise, and best of all, fun rides! I hope the transition to school has gone buzzingly well for you all, and that you are now comfortably situated in the pattern of learning. Whether you've already gone through club rush or are planning to support Key Club next to a booth soon, please remember that it is our duty to **serve our schools, communities**, and beyond this school year, and every school year after that. Take the time to reach out to new students who haven't yet experienced the CNH charm, and have some fun as we get ready to experience the biggest and most spirited event of the year. I hope you all are just as excited as I am as the Executives join both the north and south to celebrate membership, new experiences, and an event that creates so many Key Club moments.

If you are a president or vice president in need of some help, or just a member who wants to talk, be sure to **reach out to me**- I'd be happy to share any and all resources, or hop online for a quick chat! Buzzy to see my favorite bees this fall season, but in the meantime, enjoy the cool air and renewed motivation of this school year!

# What's UP CNH?

Fall might officially start on September 22nd, but in my books, it's already the season of falling leaves, brisk winds, and of course, pumpkin spice- and everything nice. Along with school officially being in season, the busiest time of year for member recruitment has finally come. Many of you may be in the midst of getting ready for your rapidly approaching **club rush**, or you might have already held yours. In any case, this time will typically require lots of preparation in order to attract new and passionate members.

As you add new members to your club, you will need to update several tabs in your **Monthly Report Forms: Club Roster-Directory, Service Record, and Member Recognition Tab**. For assistance with updating these tabs, and any other tabs of the MRF, feel free to refer to the newly released **2022-2023 Secretary Manual**. This manual includes not only information about the MRF, but other responsibilities and systems that a secretary should be familiar with. For information specific to the MRF, feel free to refer to the videos of the **Secretary Series**, which cover the month to month tasks of the MRF: the videos for the August and September submission have been released thus far.

Beyond just the MRF, if you ever have any questions, please feel free to reach out to me anytime. I hope to see some of you soon at your Region Training Conferences and Fall Rallies!

# BUZZ BUZZ CNH BEES!

Happy September! I hope that you are all easily adjusting to school life and are not too drained by the idea of homework and tests once again! I know I am not! **BEE** sure to create new memories this coming school year and reach out to all of your friends to join our CNH Ohana!

**Dues season** is almost upon us (in one month!) so **BEE** sure to start paying your dues! For all officers, make sure to start collecting dues and necessary information **NOW!** This will make it easier for you once you start to input all of your member's information into the Membership Update Center. If you are unsure about your club's status or have any questions regarding the dues payment process please do not hesitate to reach out to your respective Lieutenant Governor or myself! I am here to help with anything you may need!

Fall is always CNH's busiest season as we hop into not only dues season, but Fall Rally as well! **Fall Rally** is an incredibly fun event and I highly recommend all of you go! Make sure to bring your friends along with you as well! Reach out to your respective Lieutenant Governor for more details about this event and I cannot wait to see all of you there!

You are amazing CNH bees and remember to keep on fundraising for our preferred charities! I am certain we will be able to reach our goal of **\$225,000 for PTP and the YES! Initiative** if you keep on working hard! See you around buzzing bees!

## What's Popping CNH?

What is the cutest season?..... Awwwturn. All jokes aside, I hope you are all doing amazing and enjoying the beginning of the school year. My name is **Ahmed Eldeeb**, and I am your International Trustee for this upcoming service year. We are a part of a sistrict called **Cal-New-Sin**, which is composed of the California- Nevada- Hawai'i district, New England-Bermuda district, and the Wisconsin-Upper Michigan district. I encourage you all to follow our sistrict Instagram account (@Calnewsin, shameless plug) to stay updated and watch our tiktoks. Be on the lookout for my trustee office hours and sistrict bonding events!

My platform for my term is called **G.R.E.E.N.**, it stands for growth, retention, equity, education, and necessities. Key Club is a growing tree that has nowhere to go but up, and I plan on helping it do so through my platform GREEN. I plan on promoting partners, resources, and dues campaigns. Any healthy tree needs proper sunlight, therefore I plan on spotlighting the true extent of the diversity of our organization. As a trustee, putting in place policies and events that create a positive environment for minorities will **BEE** my priority.

If there is one thing I would like from all of you is to continue persevering through the obstacles life throws at you. It's more than ok to take a break! Your **mental health** and **well being** should always be your first priority! I'm extremely proud of each and everyone of you and I can't wait to meet you all!

## What's Poppin' CNH Bees?!

My name is **Khanh Tran**, I use she/her pronouns, and I proudly serve you all as the Membership Growth Chair for the 2022-2023 term! I currently hail from **D36E** which spans over the San Bernardino/Inland Empire area in Southern California. If I'm not working on materials to promote membership growth, you'll typically find me belting out my favorite musical theater song or dancing to TWICE. However, within Key Club, the one aspect I love most is having the ability to meet and learn about you all! For that very reason, always know that I have an open inbox if you'd like to have a chat. You can email me at **[mg.chair@cnhkeyclub.org](mailto:mg.chair@cnhkeyclub.org)** or message me on Messenger @khanhdbt !

# mini bee-ginner guide KEY CLUB'S CORE VALUES

**Leadership** ▶ Leadership is grounded in humility and service to others. A true leader listens, recognizes, and empowers.

**Character Building** ▶ Character is built by everyday acts of kindness, integrity and teamwork to grow stronger relationships and communities.

**Caring** ▶ Compassion for others is a cornerstone of the Key Club experience, inspiring action and service to one's community.

**Inclusiveness** ▶ We welcome people of all backgrounds and ethnicities to join in serving and making a positive difference in our world.

## POSITION INSIGHTS

As Membership Growth Chair, I am tasked with leading the MG Committee through planning **growth initiatives** in CNH. Membership growth is an extremely expansive, and yet imperative aspect of our district- it can be applicable to multiple avenues within Key Club, focusing on ideas from club rush to member relations. However, this term, our committee is primarily focused on breaking down the process of **chartering/reactivating a club, strengthening current clubs' structures, and investigating how to make the international organization more accessible and inclusive to new demographics**. Our efforts are then condensed into various manuals, informative videos, and prospectively, a support line for your use!

New materials this term are continuously rolling out, so please be sure to keep your eyes peeled for new resources on the **CNH Cyberkey**! For now, however, for those of you who are in search of a new advisor, or want to strengthen the relationship with your current advisor and club, check out our "Advisors 101" mini-series. In this **5 episode series**, our amazing committee of 10 LTGs reviews important information about all-things-advisors, so check it out! These episodes are featured on our CNH Instagram Reels and our new CNH Instagram. If you have any further questions, comments, or concerns, **please never hesitate to ask!**

## **KEY CLUB COLLABORATIVE PARTNERS**

## **MAJOR EMPHASIS**

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

## RESOURCES

### HOW TO MARKET YOUR KEY CLUB

Marketing is all about recruiting others to join your cause, sharing Key Club with the members you serve and inspiring others to become better leaders.

#### At School...

- Create posters and hang them around your school
- Make clothespins with Key Club facts or your club's social media accounts & pass them around
- Train club leaders to be influential role models. Influential people will influence others to join!
- Check the online KCI store to purchase free flyers, posters and pamphlets
- Hold a Key Club orientation meeting

#### On Social Media...

- Create club social media accounts and a club page linked to your school
- Publicize events (tutoring meetings, service events) on social media accounts
- Delegate a Club Editor to update all social media accounts and the club page with the latest news

#### In the Division...

- Volunteer to give club updates
- Ask your Lt. Governor to help publicize club fundraisers and events

#### In the District...

- Submit your Key Club through the CNH Cyberkey or District Cyberkey

# KEY LEADER

is an annual service leadership education program hosted by Kiwanis International and offered to high school students. The benefits of Key Leader go BEE-yond Key Club and will help high schoolers later on in life!

For CNH, Key Leader takes place in three different camps:

- |               |                                                 |                                      |

| 3             | <b>CAMP OJAI</b><br>OJAI, CALIFORNIA            | <b>APRIL/MAY</b><br>2023             |

Some Key Club events cost money, including Key Leader, so it is great to **help students financially** to provide equal opportunities for leadership. If possible, it would also be of great service to **help students coordinate transportation**, as transportation is not provided – for example, Club Presidents can help find people for Members to carpool with!

## SPONSORSHIPS & FUNDRAISING

The cost for one student ticket is \$250. This covers all fees EXCEPT transportation. It is important that we give Key leaders as much support and help as possible, as we do not want their financial situation to hinder them from a life-changing leadership experience.

### IDEAS

- 
- Host fundraisers on the Division and Club level whose funds go to Key Leader
  - Start putting aside some money from your current funds to go towards Key Leader.
  - Reach out to Kiwanis for full/partial sponsors! Recommending a Key Clubber may result in successful sponsorship!

## CNH Contest Archive Google Classroom

- ★ All contest resources will be accessible throughout the **CNH cyberkey**.
- ★ Furthermore, district judged contest entries will now be **submitted to these classrooms**; division judged contest entries will still be submitted via email.
- ★ For more information regarding the CNH Contest Archive Google Classroom check out the upcoming video "**What's the CNH Contest Archive Google Classroom**" that can found on the district Instagram or the link located on the recognition page of the cyberkey.

## Contest Guidelines

- ★ Guidelines now have a more user-friendly layout with **bigger and easier** to read text, **separate pages** for the specific guidelines for a better view, and **directly fillable form fields**, which have been added to the individual e-portfolio templates of each contest.
- ★ The word limit for the statement of nomination has now been decreased from 1000 words to **500 words**.
- ★ For each portfolio the page limit is now **60 pages**, however, the number of pages does not reflect the final score of the e-portfolio.

## Individual E-Portfolio Templates

Each contest will now feature its own e-portfolio template to help aid the applicant in the process of applying and creating an e-portfolio for their contest submissions. These templates will give applicants a better understanding of what an e-portfolio should consist of, as well as look like, instead of providing a previously submitted e-portfolio, which can limit one's creativity. Each individual e-portfolio contest template will be located on their respective CNH Contest Archive Google Classroom.

# NEW TO

## *member recognition*

### **MRP "Funds Raised to PTP" Requirement**

Due to the termination of the Eliminate Project partnership last term, the member recognition committee took time to discuss a new fundraising requirement. Considering that the membership recognition program is a program exclusive to our CNH District, the committee agreed on the Pediatric Trauma Program. To view the new "Funds Raised to PTP" requirement and the rest of the MRP requirements, visit the recognition page located on the cyberkey or the flyer that will be posted on the district Instagram page.

### **Club of the Year**

The Club of the Year contest and the Annual Achievement Report aimed to recognize outstanding clubs. However, due to concerns revolving around the ambiguity of the Club of the Year contest, and the different criteria in evaluating a successful club, the member recognition committee decided to discontinue the Club of the Year contest. The committee will now focus on creating various resources to educate the club of CNH on the technicality of the Annual Achievement Report.

I will be serving on the California-Nevada-Hawai'i District's Policy, International, Business, & Elections Committee (**P.I.E.**) this year. By serving on this amazing committee, I will be able to be transparent with the information, news, and updates from Key Club International. I will also be focused on the needs of the members and learn what Key Club International needs to change or improve on. In addition, I will be focusing on my plan **G.R.E.E.N.**, which stands for growth, retention, equity, education, and necessities. Campaigns specific to my platform will occur later on in the year, be sure to be on the lookout!

Thank you all for your service, hard work, and dedication. It truly does not go unnoticed! I look forward to serving on the P.I.E Committee this year, and can't wait to see all the spectacular things we accomplish!

# Introducing MED ELDEEB

## LEADCON 2022

"During the first week of August, the I-Council met up in Indianapolis, Indiana for LeadCon. LeadCon is a week long training conference, where the International Trustees and Governors meet up. During LeadCon, we bonded through team building exercises, toured the Kiwanis Headquarters, and most importantly we collaborated on outlining the goals for our sistricts in our upcoming term. The I-board got there a few days earlier, for a board trainer, to go over the years expectations, committee selections, and sistricts."

# SLICE OF PIE

## FREQUENTLY ASKED QUESTIONS

# DUE PROCESS

In simple terms, the Due Process is the removal of officers, it should only be used as a last resort.

1. The President, Kiwanis Advisor, and Faculty Advisor shall meet with the officer in question to privately discuss how the officer can improve their performance.
2. If the officer continues to neglect their responsibilities, the officer board must hold a meeting to either approve or reject the recommendation. If approved, a meeting should be held with the entire club to vote on the removal of an officer. A majority vote of 2/3 of dues-paid members is required for the removal to be approved.
3. The school, advisors, and Lt. Governor should be notified of the removal.
4. In the event that any officer is removed from office, they will be notified by the secretary in writing.

# POLICIES &

# BYLAWS

## policies & bylaws

### policy

Details the operations of an organization. Policies are more detailed and adaptable.

### bylaw

Defines the governing rules of an organization. Bylaws are rigid and take priority over policies.

#### **Where can I find the District policies & bylaws?**

Refer to the CNH District Policy Manual and CNH District Bylaws. Both can be accessed on the CNH CyberKey.

*Resources > Policy & Manuals > Policy & Elections*

#### **How can a District policy or bylaw be added or revised?**

Any Key Club in good standing may propose to add, delete, or revise the District Policy Manual. All proposals must be sent to the Kiwanis District Office. To revise District bylaws, any Key Club in good standing can make a proposal to revise the District bylaws. The proposal must be endorsed by the club's respective Lieutenant Governor and sponsoring Kiwanis Club President. The proposal must be submitted in writing to the Kiwanis District Office no later than November 1st in order for it to be considered at the House of Delegates at DCON.

*Address for Kiwanis District Office:  
[PO Box 1327, Rancho Cucamonga, CA 91729]*

# CLUB BYLAWS

## *club bylaws*

### **Where can I find my club bylaws?**

Contact your Faculty/Kiwanis Advisor, President, Secretary, or school administration to find your club's bylaws. If your club does not have existing bylaws, refer to Key Club International's Standard Form Club Bylaws to create and adopt new bylaws. They must be approved by a quorum consisting of 2/3 of the club's membership and a majority vote.

### **How can I change my club's bylaws?**

Proposed amendments should either be read at a regular meeting or sent to each member in writing. After at least one week from the initial proposal, a 2/3 vote of dues-paid members present at a regular meeting will allow amendments to be adopted.

# SPOTLIGHT ON SERVICE PROGRAM

## JULY:

### BEE, CLEAN, CNH!

*Golden Valley | D16N | R7*

"Our officer board wanted to feature the Spotlight on Service Program at the monthly board meeting of the district. So we came up with a list of ideas for the theme. And we came to the conclusion to clean up at a local park near our local communities but nature. We also needed from a previous fundraiser what was needed for the event such as

gloves. We were able to complete our service project well by hosting a game of charades with ourselves and our friends. We set up different stations where we were able to have a large amount of traffic. We also provided water with snacks for everyone with energy

## Carlmont | D34N | R17

"This project was extremely successful because volunteers were able to spend the full two hours finding and cleaning up trash around the park. In some of our past cleanups, volunteers often finished early because the park was too small or didn't have much visible trash, so this local park was the perfect size for our event. This project has allowed our club members to see how easy it is to make an impact in our community and become more environmentally conscious. However, one aspect of this service project that could be improved is the amount of volunteers. With earlier and more frequent advertising on our social media platforms, we could have had some more volunteers experience this important and engaging event."

follow the July theme of program, so during our beginning of the month was that deemed fit with the idea to host a trash derby by us, to help not only the community but also the environment! With funds we made we spent it on materials such as trash bags and gloves. We were able to make this event a bonding event as well as having a nature themed scavenger hunt game and we split into four groups to clean different areas of the park. We were able to pick up a significant amount of trash in just only an hour! We provided our members with water to help fuel them back up for their hard work!"

**Hilo | D22M | R18**

“Overall, this project has impacted our club because it shows how rewarding it was to clean up our community by hearing some of the kids on the beach tell us how much cleaner it’s gotten. One thing that could have been better was the number of people that attended. Although it is the summertime and a lot of our members are away, they still tried to make an effort to participate. But moving forward when school starts we are ready to help our new and old members step outside their comfort zones to continue to help our community and school be clean.”

## **Academy of the Can**

We first started planning the event with two other clubs in our division for a bonding event. After deciding on a date that would work for everyone, we decided to do an icebreaker to familiarize members at the location, by doing a little park cleanup. This would also help members bond by picking up trash before the event. We decided to make it a competition by splitting members into teams, with each club president. After we finished picking up the trash we could find, we had a picnic. Members brought food and drinks to the event. Overall, we all had a fun time bonding with each other and our community.

**My Nguyen | Division 4 North, Bolse Grande High School**

Seven divisions had the opportunity to participate in the entertaining and social event known as Beach Boomba. One of the most significant occasions that give members and officers the chance to engage in games, challenges, and collaboration to forge new connections and friendships. The relay race, when we were split up into groups of 10 or more and performed exercises like crab walks and other fun activities, was undoubtedly one of the most enjoyable experiences I had at Beach Boomba. Unfortunately, my group didn't finish the Dalgona task, but I made a lot of

new friends inside the group. The group that completed all of the various tasks was then moved to the following challenge, which our group didn't reach. After a few hours, one of my favorite events came up and it was pieing the LTG or tortilla slapping them :D. It cost around three dollars to pie our LTG Lina, but I won't lie it was probably the most worth it. After putting us through hours of suffering and work, that was the cherry on top of the event. I am sad to say that this will be my last Beach Boomba, but it was one of the more memorable events I had this year so far. I can't wait to see what future events, we have in store for this year.

On July 8th, Claremont Key Club joined forces with both Alta Loma and Etiwanda Key Club in order to create a fun interactive Interclub. The event lasted from 4-6pm, and was held at Memorial Park in Upland.

For our activity, we created dog toys out of leftover fabric and old t-shirts. While creating the dog toys, everyone from each club socialized and enjoyed each other's company. During this time SAFEKEY music was also played in order to allow for a more relaxing, welcoming

atmosphere. It was so much fun, and I enjoyed how it allowed the opportunity for creativity through being able to pick what colors we wanted to make the dog toys, and if we wanted to do a standard braid, or a more complex pattern. By the end of the event, we completed 195 dog toys and were able to donate them to local dog shelters around the area. Overall this event not only allowed me to grow closer with my fellow neighboring clubs but also allowed me to meet new people from other Key Clubs (shoutout to Katelyn from Borwick while still making an impact on the community).
