# WHAT'S COOKIN' CNH?

the **Second** Issue of *The Pollen Press*. I want to start off by saying **thank you** all for the support and for reading my first ever publication. It is so heartwarming hearing all of the positive feedback it makes me so happy that you enjoy my newsletters. Thank you all so much, I really appreciate the **support** and it does not go **unnoticed**!! Once again, I really appreciate you all a ton!

Moving on, I hope you all have had a good time relaxing over the summer and staying protected from the **sun**. Even though we are on vacation, Key Club is **never** on vacation. Make sure you keep in touch with your **Lt. Governors** and seek out possible service or social events over the summer. A perfect event to attend to kick start your term is... you guessed it... **Officer Training Conference (OTC)**!!! OTC is a great opportunity to gain knowledge on the different officer positions available in Key Club, as well as a great time to get to know other officers!

Once again, thank you all for reading this issue! If you have any **questions, comments** or **concerns**, please feel free to reach out!!! I hope you all like this **cook book** themed newsletter, as we cook up an amazing term for the school year. See you all in **August**!!

# BUZZ BUZZ CNH!

I hope you are all having a great start to your summer so far, and have had at least a couple weeks to relax and get your mind off of school. But as summer continues to set in, how do we make sure that these couple months we have off of school are put to best use? If you haven't already done so, it might be worth considering **planning out the rest of your summer.**

Planning out your summer is **very** important as it ensures that you can make the most of this vacation time, while also allowing room for leisure time. For some of us, it may be easy to get lost in hours of leisure time, but then those periods of indulgence may also be accompanied with subsequent feelings of guilt. In order to avoid that and ensure that summer is **as productive as possible**, take some time to write down a few goals that you plan to accomplish.

Once you have determined a few things that you want to focus on (ex. Volunteering, Sports, etc.), determine how much time you need to devote **weekly** to each in order to achieve said goals. Don't forget to put in some time for yourself, time for family, and time for hanging out with friends.

Then, figure out how many hours you need to spend **each day** in order to reach those weekly benchmarks. By working on a little bit of everything each day, it won't be as stressful as the last minute cramming that's typical of the school year.

That being said, I hope you still find time to stay active in your clubs, divisions, and continue to serve the community and make our world a better place. **Thank you for all you do!**

# WHAT'S POPPIN CNH?

We have finally made it to summer! Now I know for a lot of us, that means beach days, getting back to that one show we stopped binging to study for finals, and **SLEEPING**! And while I fully support and will be doing all of these things, summer is also a great time to be planning for the year!

Planning can come in all different forms, from making **email templates** to working on **spreadsheets** which you can use to organize your tasks! These can help not only your personal life, but any of the responsibilities you have in Key Club or other organizations.

And of course, summer is the **best time to start serving your community!** Being the season that most people are out and about, there is often a need to clean up the community, or volunteer during large events to keep these fun activities running smoothly. Even beyond your own home club, make sure to be keeping up with all of your division's events! There's DCM's, summer socials, Officer Training Conference, truly so many different ways to get involved, so I look forward to seeing you all in the recap posts!

Overall, take the summer for whatever you need to do. Of course, put yourself first, and take this time to decompress from the stressful year you just endured. But if you're looking for something to do with your extra time, our **strive for service never stops!**

# WHAT'S BUZZIN CNH?

Summertime has arrived! We have made it through one long and hard year of school; and some of us (including myself) are headed toward our very last year. So I hope you spend your summer doing whatever brings you the most joy. Celebrate your hard work by catching up on some much needed sleep, hanging out with friends, and serving your community!

As for me, I will enjoy my summer working hard with summer homework and my Key Club duties. I hope you all take the time to check out the resources and initiatives all of our Adorabees help to build. Aside from work, I will definitely visit the beach, and keep up with events for my own division.

I hope you all are planning for a fun and restful summer. Make sure you save some time to keep up with Key Club too! Invite friends to a DCM, hype up your clubs posts, and participate in fundraisers and service events. Even though school is out of session, Key Club is year round; and you never know when you could have a chance at making some great memories!

I hope you all have a fun and restful summer, and never stop serving bad bees!!

## KEY CLUB COLLABORATIVE PARTNERS

## MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

## What is membership growth?

The Membership Growth Committee (Matcha Green Tea) is dedicated to planning and developing different ways to increase the diversity and membership of our BEE-utiful district. With the hard work of the MG Chair, MG Mentor, and ten Lieutenant Governors, the committee will work towards providing resources covering a wide range of topics related to growth. Through strategic planning, feedback forms, and new methods of communication, it is our hope that the CNH district will be well prepared for any member recruitment throughout the term.

Additionally, MG plans to implement support for all the various levels of Key Club. From club level to district level, it is our goal to ensure that everyone has the opportunity to thrive!

## Commit-TEA Tips for Summer Activity:

- **Incorporate water activities** - From water balloon fights to ice bucket dares, water activities are a great way to beat the heat while having fun outside!
- **Utilize online games**- If it's too challenging to coordinate an event due to heat, don't forget there's a ton of online games you could play that could host a lot of members!
- **Find sweet treat fundraisers** - It's the perfect season for ice cream and frozen yogurt! Don't be afraid to reach out to the organizations in your area to plan a fundraiser.
- **Cater to members** - Use social media to release polls or ask questions to see what kinds of events would attract the most members!
- **Don't be discouraged** - Though it may be challenging to host events during summer, don't give up because there will always be at least one person looking forward to it!

Last month on May 17th, our club at Charter Oak held our officer elections bringing in a new board of officers to our school. These officer elections were a nervous yet exciting moment for my fellow officers and me, because we were so excited to be selected for the positions we had applied for, and thrilled that we could help further contribute to our club. The officers chosen for the 2024-2025 school year were Jahlysa Moreno for President, Emily Adame for Vice President, Joel Wood for Secretary, Joanna Vong for Treasurer, Heather Roseli for Social Media Editor, and myself, Samantha Gonzalez for Editor. Many of our members are ecstatic about the upcoming term! Heather Roseli the COHS Social Media Editor says "[...] I'm so excited to be apart of Key Club's board this year, especially working with social media! Can't wait to see what the year brings!" Overall, being selected to be a part of the new board of members was a happy moment for everyone, not only for me, but for my fellow officers.

San Marino Key Club has finished counting up and donating their dog toys to the local humane society. With everyone's participation in the Dog Toy making event, over 120 toys were able to be donated. Cabinet members also attended last month's DCM. During the DCM, members enjoyed making origami and connecting with other ninja turtles. They are thrilled that three of the cabinet members have been chosen for DLT, and have wished them congratulations and good luck on performing their new duties as DLT. In addition, San Marino Key Club has been awarded Club of the Month for May Recognition and will continue to be engaged with their community and D10N.

## YOUTH WILL BEACH CLEAN UP

Beach clean-up is a project that aims to limit the pollution within our coastal areas by involving Key Club in such activities. This not only address the pollution but also the responsibility and environmental conservation. During the clean-up, participants collect trash and debris but also offer assistance to the trash for civilians on the beach. This allows protection for marine life and preservation of the natural beauty of our beaches. This hands-on experience is valuable because it educates Key Clubbers about the importance of beach clean-up and the importance of proper waste disposal. Additionally, it encourages teamwork and provides a sense of accomplishment from the tangible results. Overall, beach clean-up activities have allowed Key Club to positively influence the environment.

# BUILDERS CLUB MEMORIAL DAY

MISAEAL PEREZ | D37E

On Monday, May 20th, at Builders Club in Bear Valley Middle, we helped create an event for the upcoming Memorial Day. Since Memorial Day is all about veterans we decided to make cards for veterans in order to honor them. By making cards for the veterans we thought it would be a nice way to pay our respects to them and also a way to celebrate their upcoming holiday. We had three members show up to help at Builders Club. Our members worked alongside the middle schoolers to make thoughtful cards that the veterans will forever cherish. The cards turned out beautiful, all with a different artistic touch.
