BOO

DID I SCARE YOU?

Welcome to the **fifth** edition of *the Pollen Press*. Can you believe it? It's finally fall!. The cold weather mixed with pumpkin spice lattes and the longer nights are finally here. Though the weather is getting cozier, one of the most **intense and hype** seasons of Key Club upon us! Get ready for... **FALL RALLY!**

For those of you in Northern California and Nevada, BEE ready to dress up in and show your **loudest and proudest** division spirit at Fall Rally North on **OCTOBER 19th!** October is the peak time for all of your division's **spirit preparations**, so BEE sure to contact your LTG and figure out when they're held so that you can practice those chants and show the **BEST SPIRIT YOU'VE GOT!** If you want to learn more about Fall Rally check out pages 7 through 10 for more information on what Fall Rally is and the different chants! you'll hear! Fall rally is one of my favorite events, I hope you're just as exited as I am!! If you see me there, don't be afraid to say hi!!

Now that we're getting deeper into the term, I'd like to remind you all to utilize our **Cyberkey!** The Cyberkey is an **amazing outlet** not only for officers but also members! Make sure to **advertise** the Cyberkey at your club meetings as it answers countless questions that you might have! If you still have any questions. The **District Newsletters** as well as The **CNH Instagram** are also great sources for information, so BEE sure to check those out!

As always, **thank you** all so much for reading this **SPOOKEY** Issue of *The Pollen Press*, and I hope to see you all next month!

Make sure you stay safe while enjoying the Halloween festivities and take care!

HAPPY FALL CNH!

Now that we're fully submerged in the hectic fall season, let's not forget to keep up the hard work and continue contributing to our District Goals!

As a reminder, our goals for the year are as follows: **32,000 members; 425,000 service hours; and \$175,000 donated towards PTP / the YES Initiative!** We have a long way to go in order to reach our goals, so carry on with those service events and fundraisers! Especially if you're attending one of our Fall Rallies, BEE sure to raise as much as you can before that so your division will have money for the auction! Furthermore, Key Club International will be hosting a **Centennial Challenge** to celebrate its 100th birthday, recognizing districts for increases in membership, service, and fundraising—so let's do our best to make the most of this special year!

In addition to following along with our latest District emails and Instagram posts, I hope you also check to see what's going on with Key Club International! Besides the now-open **Youth Opportunities Fund Grant that gives you up to \$2000 dollars to implement a service project of your choice (application due October 15th!)**, there are many other International initiatives! For example, on November 9th, at 11AM EST (or 8AM PST) Key Club International will be hosting their annual Global Engagement Rally, an online event with workshops and leadership activities that allows you to meet volunteers from around the world! If you are not attending Fall Rally South, I highly encourage you to participate to learn more about what Key Club is like on the international scale!

I can't wait to see you all at Fall Rally, CNH! Thank you all for your commitment and I hope you have a fun-filled October full of sweet treats and trick-or-treating!

TRICK TREAT

It sure is a **treat** to be able to be a part of this organization, filled with all of the love and support I've grown from my time on with the force!

Of course, October doesn't just mean weather and Halloween, it's a month **of service**, and the first months of amazing themed service projects to take part in, like making a project for your community or passing on the torch. I often forget to bring the focus on international opportunities. **UNICEF**, one of Key Club's partners. Check out the Key Club website for information, or reach out to me!

We are well into the key club year, a bit behind on some of our goals, but **one good month to turn it around!** You've got RTC just around the corner (already), Fall Rally, and so many more. Your communities, keep showing up to meetings, and of course keep supporting. I wait to hear all about the year and as always, reach out if you need me!

BUZZ BU CNH!

We are slowly but surely making our way through the summer. The introduction to school is over, and the 100 degree heat. Now of course is so much time for all of us key clubbers, **recruitment**. Many of your clubs have probably had even their first few meetings; so now it's time for those new members **stay active and attend events**. If you are in California these are the Fall Rallies which is something I know you look forward to each year, getting to visit and see your division pride. This spirit season also includes training conferences (RTC) . I encourage you to participate to learn valuable information and of course to connect with new key club members!

Of course, to attend all these fun events you need to **paid dues**. If you are a club officer make sure you have access to the MUC and to your members. **The MUC payment option is due by October 1st**, and if you want to get the early bird award the deadline to pay is **October 1st** aiming for the regular on time deadline is **dues by December 1st**.

It is without a doubt a very busy season. So hang out with your friends and enjoy the summer. Lots of luck and a very **SPOO-KEY October**!

My name is Ariana Lee, your 2024–25 international trustee! This month, I have a few updates to ensure that all clubs are provided the same information.

Of course, throughout your service, keep a constant reminder that a major goal within Key Club International is to grow membership by **10%**. In clubs, make this a fun challenge where students create posters and make recruitment videos to post on social media! No feat is too large or too small, and I encourage you **all** to get creative with recruitment techniques.

Within Programs and Partners, I have been working closely with Erika's Lighthouse on the Give Voice Campaign. Give Voice Week was from September 8 to 14 and acted as a way for clubs to showcase mental health awareness in the form of service events or projects. However, if you missed this week, don't worry! Clubs can partner with Erika's Lighthouse **throughout the year**. If interested in getting connected, visit erikaslighthouse.com.

As a member of the communications committee, we have been aiding in the creation of graphics for the I-Board Instagram page. If you have not already done so, follow the page **@keyclub.iboard** for international updates.

The Global Relations Committee has been working diligently to ensure that international clubs are heard and recognized. More information will be coming soon about Global Engagement Rally dates and registration links.

If you ever have any questions or simply want to talk, do not hesitate to reach out to me via email at alee@keyclub.org, on Instagram @ari._lee, or message me at 678-308-2797!

REGION 16'S SURFER V BIKER-TC

West Campus High School
September 14

Region 16's Training Conference was truly a great way to start my senior year in Key Club! It was so much fun learning, growing, and connecting with other members within my region to further my development as a leader.

The workshops were very engaging and I was offered new insights into my role as an officer and as a leader that I can take back to my home club and implement to further our growth and development!

The most exciting part about RTC though were the spirit sessions and the spirit battles that we were able to do! I have never seen so much spirit in one place and it was so much fun contributing to the chants at the top of my lungs and losing my voice by the end of the event! Screaming, chanting, and asking random divisions "how do you feel?!" were definitely the most fun part about RTC and I'm going to miss all the loud energy that Key Clubbers truly showcase.

I hope everyone who attended their RTC had SO much fun and learned more about their roles and our organization as a whole! If you enjoyed RTC, Fall Rally is coming up and we hope to see all of you attend!

August 31- September 1

From August 31-September 1, Division 22 Hikina, Komohana, and Makai held our Region 18 Training Conference at 'Iolani School. We were very excited to welcome a special guest, our very own MR Chair Sarah Ganiko! With this year's theme of RT-SEA, we prepared water-themed team activities, educational workshops, service projects, and more fun activities for members to get involved. Our 16 different workshops focused on award opportunities, Key Club 101, and preparing for the future! To help people across divisions get to know each other, we had carnival games and relay competitions! We also made first aid kits, back-to-school backpacks, and stress toys to donate to Palolo elementary. Finally we raised over \$1,500 for PTP through our donation exchange center. We had an swimming time at RT-SEA and we're so glad we got to have an event together.

Attending Region 16's Surfer vs. Bike-RTC was an amazing experience and definitely one of my favorite Key Club memories! As the official guest, it was an honor to attend on behalf of the CNH District and participate in such an exciting event. Whether it was during workshop icebreakers or the talent show, from the moment I arrived, I was so inspired by the enthusiasm for service and community I felt from every single member.

The highlight of the event for me was the annual spirit battle, a Region 16 tradition that I had the chance to help judge this year. Seeing everyone show off their spirit and cheer with their divisions was a reminder of why I love the community of Key Club so much, and I'm excited to bring a similar spirit to my home RTC. Thank you Region 16 for such being such incredible hosts, and I can't wait to see you all at Fall Rally North!

Attending Region 14's Horror-TC was a SUPER fun! It was an honor to attend on behalf of the CNH District, but also as a fellow NorCal resident, and participate in such an exciting event. The environment at Live Oak High School was phenomenal from the members to the Kiwanis; this was truly an event for the books!

The highlight of the event for me was the balloon game. Watching everyone get competitive and cheer for their teams reminded me of why I love being part of the Key Club community and its ability to bring people together, plus it's made me even more excited to bring that same energy to my community. Region 14, you are amazing, thank you for a great first experience!

HELLO BEES!

My name is Aarushi Vyas and I serve Division 46 North. A fun fact about me is that I love Mitski and basically every other type of music that is out there! I didn't get the chance to meet people outside of my sister division until last year at our Region Training conference where I was introduced to members of Division 05 North and Sorih along with the great people of region 11. It was there I met some of the future LTGs that I now work with to plan our own conference, a true full circle moment. On the car ride to DCON, we were all a little quiet since we hadn't yet blossomed into our roles at LTG's but as time progressed we got to bond and became really close! Despite geographical distance, our region is closer then ever and we plan to keep it that way. I am really looking forward to making some great memories with these guys and hope that our members can also grow closer with others within our region!

WHAT'S THE BUZZ, CNH?

My name is Shaienne Relucio, and I have the honor of serving the KEY-utie Corgis of Division 05 North! A fun fact about me is that I've been doing archery for around 5 years now. My sister divisions and I make up the Region 12 Clouds, serving all the way from Modesto to Fresno! Prior to becoming LTG, I had a vague idea of a whopping one other LTG in my region (I'm still confused on as to how people know their region before being elected). However, I had unknowingly been in the same vicinity with all of the girls I'd soon come to closely bond with at Region 11&12's RTC 2023. After stalking many Instagram accounts post-conclave, I finally created the R12 Clouds group chat, and the rest is history. Despite not traveling with the other LTGs to DCON, when I officially met everyone, I can confidently say we clicked. There is no one else I'd choose to be in my region no matter how difficult it is to host in-person events!

REGION 9 WAVES

BUZZ BUZZ CNH!

My name is Katie To and I proudly serve as Lieutenant Governor of the fiery blue devils, eternally sizzling with service! A fun fact about myself is that I am trying to build up my collectible army of Hironos and Skullpandas. Anyways, I wave hello from the Region 9 Waves, which consists of 6 LTGs including myself, the District Tech Editor, and the District Convention Chair! Before serving as LTG, I did mainly graphics and art for my division - which really intimidated me for the administrative work that came along with being an LTG. However, ever since meeting my dream team, they have always been there to answer my questions, reassure me, or help me as we navigate this term together. Whether it's debriefs over hotpot, group calls, or 400 notifications from the R9 LTGs + LT chat - I have always been able to take away and learn something from them everyday. They are made of the silliest, resilient, and hardworking bees I have ever met and I look forward to learning more from them even after we retire. One event I am really looking forward to is our THRILLER-TC camping event!

HELLO HELLO BUS

My name is Saoirse (seer-sha) and I serve as LTG from Region 9 (YAY East Bay Area)! What you all have been waiting for is the long-awaited Region 9 Spotlight! So lucky you, here it is, an insight into not the most, amazing Region 9 (obviously only a little biased). Region 9 is comprised of six unique divisions (D02N, D02S, D08E, D08W, D26N, and D26S). This year we have seven LTGs who serve as well as two amazing Liaison members! The newest edition to the family are D08E and D08W this year. Some of Region 9's most loved events are our annual Region 9 Olympics, Region 9 On Ice, yet divisions love to host joint events throughout the year. We also participate in the only over-division event, Region 17 and Region 15! One of my favorite memories with my Region 9 is last year's Region 9 On Ice. I enjoyed getting to know people from all over the Bay and seeing everyone's kindness. ANYWAYS, that's just a little bit of a handsome Region out there! CNH!

KEY CLUB COLLABORATIVE PARTNERS

MAJOR EMPHASIS

In 1946, the organization was challenged to build a program to bring together all Key Clubs and members to focus energies on making an international impact. This program is still followed today through the Major Emphasis: Children: Their Future, Our Focus.

To fulfill the Major Emphasis, Key Club International serves children in many ways. By working with Key Club International's partner organizations, Key Clubs serve children by aiding other organizations committed to serving children. Key Club International celebrates its three partnerships: UNICEF, March of Dimes, and Children's Miracle Network.

The Key Club service initiative is another element of the Major Emphasis and is created on a two-year basis. All of the hands-on service provided to children by Key Club International members is directed to a single area of need, to make a substantial impact.

MEMBER RETENTION

what is member retention?

Member Retention refers to how well the members are engaged in the club. This includes their engagement and attendance during club meetings, service events, fundraisers, and socials. It's important to keep member retention in order to keep membership and club activity up throughout the term.

general tips:

In order to engage with the members **BEE sure to keep things interesting!**

- Plan out a **variety of service and social events** for members to attend
- As an officer, make the effort to create **one-on-one connections** with new & current members
- **Educate members** on the various opportunities of Key Club and encourage them to pursue **their passion!**

S & MARKETING:

tips on including members:

Inclusivity is one of Key Club's core values that can help keep member retention. Here are good tips to keep in mind:

- **Call on members to answer questions** and include them in the conversation
- Open the floor for members to **lead the Key Club pledge**
- **Play icebreakers** to create a welcoming environment
- Consider how your club can keep keep member even after Fall Rally season! **What might events look like to keep members interested?**

QUESTIONS

How do I ensure higher quality?

- Work with high resolution (avoid using low resolution with grain) for export
- Export at 1080p
- Use an appropriate frame rate
- Use stabilization in Premiere Pro to avoid shaky footage

How can I maintain my identity in my video?

- In CNH, the main things we are looking for are:
 - Century Gothic
 - *shoreline*
 - *Hello Stranger*
- Utilize the official CNH Art when appropriate to represent your Division, colors or your own
- BEE SAFEKEY!! (Always use safekey for messaging + production)

Editing 101

QUALITY

How do I make my video is at the best quality?

• High quality footage
• Not shaky or "noisy" (clips footage when recording at a minimum)
• Appropriate aspect ratio
• Use tools in CapCut or other apps to mitigate shakiness

How do I maintain Key Club brand in my videos?

• Use fonts that are utilized

• Use the Key Club font (this one)

• Use the Key Club logo and Wordmark appropriately; When editing for your division you can use your division's mascot

• Avoid inappropriate content (to promote KC values)

SKILLS

How do I make content that resonates with members?

- Ask yourself who you're making the video for and what the purpose of the video is!
 - To keep members engaged in informational videos, add captions, graphics, and photos.
 - To excite and educate members about upcoming events, feature action shots, reactions, or even interviews.

FALL RALLY?

Fall Rally is a huge event where thousands of members gather each year on their assigned day at one of two theme parks for LTGs and Executive officers to be "auctioned" off to the Divisions that make up our district. The Division that bids the most on an LTG/Executive officer can then spend a designated period of time with the "purchased" officer. Because of the CNH District's large size, Fall Rally has to be split up into two events: Fall Rally North and Fall Rally South.

MEMBERSHIP DEVELOPMENT & EDUCATION

october edition.

district pen pals

WHAT IS IT?!?!?!?

the district pen pal program is a program offered by the california-nevada-hawai'i key club district through the membership development & education committee! this program is an opportunity for members across the district to make life-long friendships with key clubbers from anywhere in california, nevada, and hawai'i, while also getting to participate in a variety of challenges!

HOW DO I PARTICIPATE?!?!?

the district pen pal program officially began on friday, september 1st and so many members have already received their pals. HOWEVER, it is NEVER too late to join this program! to ensure that you are entered into the program, along with receiving a pal, BEE sure to email membership development & education chair rachel an at mde.chair@cnhkeyclub.org!

IBOARD MESS

international president
DAVID ROBAINA

Hi everyone!

My name is David Robaina, and I'm incredibly excited to serve as the 2024-25 Key Club International President. This service year, the International Board's top priority is increasing membership by 10%, bringing our organization to over 250,000 members. To do this, we created the Centennial Challenge, a Key Club International award that recognizes Districts' increases in membership, service, fundraising, and other key areas.

Personally, I'm focused on improving the elections process at ICON, ensuring that candidates are properly prepared and able to elaborate on campaign policies beyond flyers and speeches.

Thank you for all you do! I can't wait to see what we accomplish this year!

Yours in Service,

David Robaina

SAGES

international vice president **CARISSA ANDORF**

Hey, CNH Key Club!

My name is Carissa Andorf, and I am beyond honored to be serving as your 24-25 International Vice President! This year, I am focusing on increasing international membership through our Global Relations Committee. Key Club International is excited to announce that we have a new district-in-information—Italy-San Marino! This means the Global Relations Committee will be working to support this area throughout our term.

Additionally, our committee is planning the Global Engagement Rally—an online event where clubs from over 40 countries come together to celebrate our shared love of service. This year, the Global Engagement Rally will focus on advocacy movements and changes youth can make in their communities. Members will be allowed to apply to present a workshop based on specific objectives; information regarding this will be published in early October. All Key Club members and advisors are encouraged to attend. Please let me know if you have any questions!

Yours in Service and Friendship,

carissa andorf

how to host SERVICE

step 1: have an idea & plan!

Whether it's for your home club, Division, or even just a small group of friends, start to BRAINSTORM an idea for a Service Project! Think about what you need for the project. Will you need a venue? What resources do you have access to that will allow you to host this Service Project? Will it be with another club? Where will you donate the finished project to? These are just a few questions to consider when starting to brainstorm your own Service Project!

step 2: promote your project!

Get the word out about your project. Promotion through Instagram, Newsletters, DCMs or home club meetings, and more are all great ways to gain interest in your project. Get as many people involved as you can to maximize your Service Project!

Run your own PROJECT!

step 3: host your project!

The day of, make sure to show up beforehand and prepare. Do all things needed prior to the event, and try your best to run it smoothly! Do your best to troubleshoot when things inevitably go wrong, and have fun! Make sure that the main focus of the event is service, and emphasize the importance of the work that you're doing!

SATURDAYS OF SERVICE IN MAGICAL FOREST

ADAM LE
DIVISION 28 SOUTH

This was my first time volunteering at Opportunity Village for setup days and it wasn't that bad of an experience. Me and my 2 friends had to work harder for the first half of the day. We were provided work gloves and were asked to remove pine needles and trash from the fake pine trees to prepare for halloween decorations. After a few hours cooking in the heat, we ran away to the break area for water & then headed towards the train docking station where we intertwined red and white Christmas lights to be strung across the entire park.

DUARTE HIGH CLUB RUSH

BRIAN REGENCIA
DIVISION 35 WEST

Duarte Key Club started the school year strong at Club Rush on August 28! We were thrilled to welcome over 80 new sign-ups and connect with both future members and familiar faces. It was a fantastic opportunity to share what Key Club is all about and highlight the exciting events we have planned. Thank you for stopping by, and we can't wait to see you at our upcoming meetings!

HABITAT FOR HUMANITY

ANH NGUYEN
DIVISION 11

On August 3rd, OLP Key Club joined their sponsoring kiwanis club to build and paint playhouses with Habitat for Humanity. This was OLP's very first home club event since the new term started and everyone who attended had so much fun! Upon arrival, everyone was given a free shirt by Habitat for Humanity and we were split into two teams to build the two playhousehouses, each with a different theme. The Key clubbers then got to brainstorm and get creative while they were designing and building their houses. Although it was a sunny day, I have to admit that it was so worth it to come out and volunteer with Habitat for Humanity. The end result of the play houses were a success and turned out amazing! We were building not only a house but a home to be given out to people in need and Olps Key Club can't wait to participate in more events like these with our sponsoring kiwanis club in the future!

ALZIEHMERS WALK

SARAH TRAN

DIVISION 02 NORTH

On September 6th, at the Walk to End Alzhiemers event setup, we had a great time helping with setting up for the event! We set up chairs and tables and decorated the park where the event would take place and walkers would walk through. We set up banners and helped with tents as well as put up signs and made sure everything was ready for the walk! I had a great time helping with this event that was for a good cause and helped out our community! It's always a good time volunteering for good causes and working with great people!

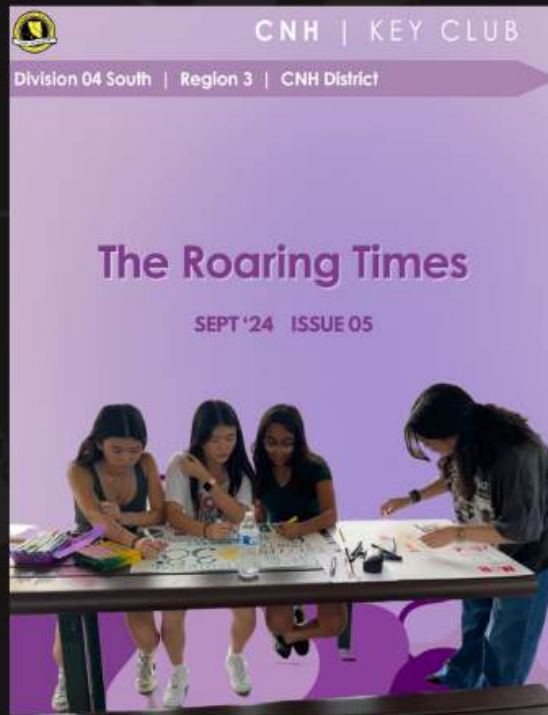

LIFESAVERS MENTAL HEALTH KITS

TESSA YEE

DIVISION 03 SOUTH

On September 11, Eagle Rock participated in the annual Club Rush! Prepping for this day, I worked hard with the board to ensure that we had more than enough prepared for possible members. Creating a trifold with information and photos of what we do, I am very proud and happy about the outcome of events. As president, I hope that I can provide more opportunities for these new members and I hope the best for all of them that they decide to stick with key club. At club rush it was a great turn out!
